Music Books and Lesson Materials

It may be necessary to purchase music/lesson books. Generally, these will be available from Bam Bam Music.

Attendance

Each student is issued an ID card at the beginning of their enrollment. Each student is required to check-in, by swiping their card with the scanner at the beginning of every lesson. If you do not check in the system with recognize you as absent without notice and your lesson will be forfeited.

Missed Lessons

You must provide us with at least 24 hours' notice, or provide a medical certificate, to cancel your lesson, in order to reschedule or to have a 'catch up' lesson. If you do not provide 24hrs notice, your lesson will, unfortunately, be forfeited. *Remember, when you book your music lessons, you are reserving and purchasing your tutor's time. Refunds will not be given.*

Catch up lessons- *are not guaranteed.*

- Are only available during your tutor's regular teaching times, and will only be offered if there is a vacant time slot if there are no vacant time slots, your lesson will be forfeited.
- Do not have any monetary value and therefore cannot be used to reduce future lesson payments.
- **Cannot be carried over to the next term. All make up lessons must be made up by the last day of school holidays before the start of the new term. No make-up lessons will be carried over to the new term.**
- Full term paid students have the possibility of 2 catch up lessons.
- 1⁄2 term paid students have the possibility of 1 catch up lesson.
- If you miss a catch up lesson, another one will not be offered.
- *Catch up lessons are not available for students taking casual lessons.*

* Refunds will not be given for missed or cancelled lessons. Refunds will not be given should you change your mind. *Remember, when you book your music lessons, you are reserving and purchasing your tutor's time and therefore you are preventing us from booking in another student.* However, it may be possible to transfer lessons to another person/student (catch up lessons cannot be transferred). Payments made for music lessons cannot be used/transferred to purchase goods/items from the store.

- If a tutor can't make it to one of the lessons: - we will organise a catch up lesson at your convenience within your tutor's regular teaching times, or - we will organise a replacement tutor for your lesson.

No Drums! No Worries!

Want to learn how to play drums, but don't have a drum kit? The drum room is available to you outside of regular teaching times for only $15.00 per hour. This way you can take drumming lessons and have somewhere to practice without having to buy a drum kit up front. So come on, give it a go!
